the MUSLIM CONQUEST

Joel’s amazing prophecy

Jonathan Gray
SOMETHING BIG is looming.

Something of historic proportions is happening. It has never happened in history before.

IT IS NOT the environment.
IT IS NOT the disappearance of millions of bees, which pollinate a large part of our food supply.
IT IS NOT the unexplained mass extinctions of sea life.
IT IS NOT the deaths of forests.
IT IS NOT the terrible new diseases.
IT IS NOT the numerous wars…

IT IS something that began occurring in the last months of 2015… a history-making invasion … virtually uncontrollable.

THE DISASTER FACING EUROPE

A Muslim in Germany has been caught on video saying this to a German man:

"Islam is coming to take over Germany whether you want it or not … not through war but by the fact that Germans don’t reproduce and Muslims have seven to eight children each … but not only that, your daughters will marry bearded Muslims and wear the hijab; their sons will wear a beard! The Muslims will have four wives and 27 children, and what does the German man have? One child and maybe a little pet dog! The German has taken advantage of the Muslim for too long, just so he can drive his Mercedes. … Now Islam is coming and your daughters will wear the hijab! Ha! I can see the look of hate in your eyes!"

This is a full-blown invasion.
No media coverage, of course, because it’s a “humanitarian crisis,” and that’s how it is being packaged and force-fed to the victimized public. Apparently the numbers that European leaders have been selling to their unsuspecting populations are wrong by at least four million. The latest invasion reflects a truer number of five million, not one million – five million invaders. If that’s not war, what is?

In numerous places, citizens are being forcibly dispossessed so that migrants can take over their buildings. Germans lost their jobs at the four-star Hotel Maritim so that it could house Muslim migrants. The workers and shop owners in this hotel, some of whom had worked there for more than 25 years, were told that they would no longer have jobs, because the hotel would be converted into migrant housing.

That was just the beginning. Next on the chopping block were other hotels, holiday resorts and churches.

Nothing is sacred. Authorities are moving Germans out of their homes to accommodate the invaders. They are housing the migrants at Buchenwald and Dachau. And with children at youth hostels. And now, despite the ongoing harassment of and violence against Middle Eastern Christians by Muslim migrants, these very same migrants are being moved into churches, which necessitates the removal of the pulpit and the seats.

German politician Brigitte Meier summed up the situation by saying, "We cannot guarantee the public safety anymore." And in Sweden, according to the notoriously pro-Islamic RT, "a leading Swedish politician, Foreign Minister Margot Wallstrom, says the country is facing a refugee catastrophe, which will lead to the 'country collapsing.'"

Austria Interior Minister Johanna Mikl-Leitner "has called for 'a fortress Europe' to protect the European Union (EU)." Austria has now built a fence on the Slovene border, as has Hungary. Slovenia has constructed its fence on the Croat border. And now
Europeans are arming themselves: There has been a rush of shotgun purchases in Austria.

Meanwhile, the BBC reported that "tens of thousands of life jackets abandoned on the Greek island of Lesbos by migrants have been described as an 'ecological timebomb.' Authorities on the island say they do not have the capacity to dispose of the safety vests while local fisherman say they cannot fish because of the pollution."

As if Greece could afford this. The migrants have destroyed Lesbos. And the continent of Europe is in meltdown.

Where are they going from Lesbos? Into northern Europe, particularly Germany.

But then large numbers of them are vanishing. Refugee camps have begun to report that Muslims are disappearing – running off. Nobody knows where to.

This is now spreading to other camps. It has become an epidemic. At the last available report, approximately 7,000 migrants have left the Brandenburg shelters. Where are they going? Who is sheltering these illegals, many with ties to ISIS? Die Welt is reporting this: "They are simply not there anymore' – daily many refugees disappear from the first reception facilities without giving notice. This is a serious problem for the authorities."

Says one commentator: "I have seen the future, brother; it is murder. Do people understand what is happening? Town by town, village by village, Europe is being swallowed whole. Do these people know what is actually happening to them, their cities, their countries? Their only option will come down to civil war.

"If there were ever a cautionary tale for America's enemies of freedom and the Second Amendment, this is it."
FORETOLD IN UNCANNY DETAIL

What these invaders are doing was foretold in great DETAIL - in almost EVERY detail - in Bible prophecy. The detail is uncanny!

Today, many are worried. Many are asking, WHAT'S NEXT? Looking into the future …our best is no more than a guess. However, an ancient prophecy **foretold this** Muslim invasion – and how it will end.

Someone behind the world’s best selling book makes an audacious claim… “So that you will know I am God, I am going to give you the 'GAME PLAN' of history before it happens. Test it. Prove all things. I am telling you before it takes place, so that, when you see it happen, you will believe.” (Isaiah 46:9,10; 41:21-23. 1 Thessalonians 5:20-21. 2 Peter 1:19-21. 2 Timothy 3:16)

And then he proceeds to give us A THOUSAND or more predictive prophecies - dealing not merely with broad, general outlines, but often with minute details.

He names men, cities and nations, and even specific dates far into the future. He says, "I will cause these most unlikely events to take place."

Centuries pass... Suddenly events start happening - and a variety of predictions, highly improbable when given, are progressively fulfilled.

Since man cannot predict world history, it should be self-evident that if we find a series of predictions, and they take place precisely as foretold, then we have proof of a source that comes from beyond mankind.
The united wisdom of man can only guess. God alone knows WITH INFALLIBLE CERTAINTY what is to come. Predictive prophecy establishes that there is a Divine Intellect behind the Bible. It establishes the fact of God.

Now, back to this unprecedented Muslim invasion. I stated that what these invaders are doing was foretold in great DETAIL - in almost EVERY detail - in Bible prophecy. And that the detail is uncanny!

And so today, many are worried. Many are asking, WHAT'S NEXT? Are we in the end times? How does this all end?

We shall now open one of the ancient books of the Bible - the book of Joel. Its topic is the end times of history… It describes in uncanny detail events that are happening right NOW.

**THE TIME OF HISTORY DESCRIBED AS “THE DAY OF THE LORD”**

* “Alas for that day! For the day of the Lord is near.” (Joel 1:15)

* “Sound an alarm… let all the inhabitants of the land tremble: for the day of the Lord comes, for it is near at hand.” (Joel 2:1)

* “The day of the Lord is great and very terrible; and who can abide it?” (Joel 2:11)

* “The sun shall be turned into darkness, and the moon into blood, before the great and terrible day of the Lord come.” (Joel 2:31)

Its description of events now unfolding is spot on!
TO WHOM IS THIS PROPHECY ADDRESSED?

It is a message to those who did know God but have turned away from Him. (Joel 2:12-14) The purpose of the prophecy is to awaken them to turn back to God.

In rejecting clear evidence of divine power in creation (in such matters as the origin of life), in order to promote a defunct evolution theory through the education system, Western society has turned its back on the Creator, denying the acknowledgement due to him, and dishonouring him.

If man is merely a beast, then he has neither hope nor future and the sacredness of human life is reduced.

A century of evolutionary teaching in America, Europe and the West has caused a loss of faith. School youth are being saturated with evolutionary theory. They emerge with a wail of despair and a sob of loneliness. From a feeling of meaninglessness in life stems low self-esteem, animalistic behaviour and depression, which result in suicide, promiscuity and drug abuse.

“They don't understand why their culture is failing,” stated one observer. “They don't understand why suicide rates are so high. They don't understand why so few European women have more than one child, and why on most European streets, you see more dogs than children.”

One successful Belgian businessman voiced this appeal: “Give me one reason to go on living. If you can’t do it, I’m taking my life right now. I can’t take it anymore! It’s not just me, it’s my wife, it’s my children, It’s all our friends - we have nothing to live for – it’s all across my nation!”

Let’s explore this prophecy. We shall discover that two other
prophetic books - Daniel and the Revelation - cross reference to Joel’s prophecy.

A PROPHECY ABOUT "LOCUSTS"

A strange statement is made CONCERNING LOCUSTS HERE IS THE PROPHECY…

“That which the cutting locust has left has the swarming locust eaten; …and that which the swarming locust has left has the unwinged locust eaten; and that which the unwinged locust has left has the locust caterpillar eaten.” (Joel 1:4)

The above passage in the book of Joel is speaking of a swarm, or plague, of LOCUSTS.

QUESTION: You might well ask, what do locusts have to do with end time events?
ANSWER: “Locusts” is a term used in the Bible for the Arabs …who are mostly Muslims.

* Judges 6:3,5 - “as *locusts* for multitude... they and their camels"
* Judges 7:12 - "like *locusts"
* Nahum 3:15 - "many as the *locusts*“
* Joel 2:25 - “the *locust* swarm”

* Revelation 9:2-3 – “came… *locusts* upon the earth”

QUESTION: WHY locusts?

ANSWER: It goes back to a prophecy made concerning Ishmael, the first son of the patriarch Abraham. Abraham is the progenator of both the Jews and the Arabs.

"And as for Ishmael, I have heard thee: Behold, I have blessed him, and will make him fruitful, and will multiply him exceedingly; twelve princes shall he beget, and I will make him a great nation."

(Genesis 17:20)

1. For THEIR GREAT NUMBERS

The Midianite Arabs "came as grasshoppers [Hebrew: *locusts*] for multitude... they and their camels." (Judges 6:3,5)

"Midianites and the Amalekites [Arab tribes]... lay along the valley like grasshoppers [Hebrew: *locusts*]." (Judges 7:12)
"Make thyself many as the locusts."

(Nahum 3:15)

“the *locust swarm*” (Joel 2:25)

In the Bible the locust denotes *swarming numbers.*
From a distance, a locust swarm resembles smoke. A famous traveller in Arabia described the appearance of the swarms of locusts, "The swarms of these insects darken the air and appear at a distance like clouds of smoke." (Niebuhr Travels Vol. II. p 337)

"...and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit". (Revelation 9:2)

"And there came out of the smoke locusts upon the earth." (Revelation 9:3)

The prophet, looking into the future, saw the “locusts” coming from the wasteland in great numbers. What a fit symbol of the swarming numbers of Arab warriors!
2. NO CENTRAL GOVERNMENT

"The locusts have no king, yet they go forth all of them by bands." (Proverbs 30:27)

The Arabs had no central government for centuries.

THE LOCUSTS ARE HORSES OF WAR

In this prophecy, they appear not as mere locusts.

These locusts appear "as horses prepared for battle." (Joel 1:7)

"And the sound of their wings was as the sound of chariots of many horses running to battle." (Joel 1:9)
JOEL’S PROPHECY FORETELLS A LOCUST-LIKE HUMAN INVASION

"That which the cutting locust leaves, the swarming locust eats; and that which the swarming locust leaves the unwinged locust eats; and that which the unwinged locust leaves, the locust caterpillar eats." (Joel 1:4)

1. a locust swarm (the darker lines spreading over the ground)
2. a Muslim migrant swarm, 2015
AN INVASION

Have you heard of HIJRAH? Hijrah is deliberately migrating to another place to impose Islam there.

This invasion is largely of men between 17 and 25.

"For a nation has invaded my land." (Joel 1:6)
A prophecy concerning the Arabs says,"I will make him a great nation." (Genesis 17:20)

Now this nation has invaded the land. (Joel 1:6)

HISTORY REPEATS

Just as Joel's prophecy says that in the end times these "children of the east" will come against God's professed people who have turned away from Him, so we find an historical precedent, when ancient Israel turned away from God, and the "children of the east" came against them. History simply repeats.
"And the children of Israel did evil in the sight of the Lord: and the Lord delivered them into the hand of Midian [an Arab power]." "Both they and their camels were without number: and they entered into the land to destroy it." (Judges 6:1,5)

In both Joel and Revelation 9, these invaders are portrayed as a lion that destroys. Judges likewise describes their behaviour as that of a destroyer.

"WITHOUT NUMBER"

And they are said to be "WITHOUT NUMBER".

God promised to Hagar, ancestress of the Arab nations:

“I will multiply your seed exceedingly, that it shall not be numbered for multitude.” (Genesis 16:10)

"...the children of the east lay along the valley like grasshoppers [locusts] for multitude; and their camels were without number, as the sand of the sea side for multitude." (Judges 7:12)

So now, here it comes in the end times…

"For a nation has invaded My land, powerful and without number." Joel 1:6

A EUROPEAN LEADER WARNS

Geert Wilder, Dutch member of parliament, visiting the United States, has given this report:
"We might be in the final stages of the Islamization of Europe.

"This not only is a clear and present danger to the future of Europe itself, it is a threat to America and the sheer survival of the West. The United States is the last bastion of Western Civilization, facing an Islamic Europe.

"The Europe you know is changing. Many European cities are already one-quarter Muslim. In many cities, the majority of the under-18 population is Muslim. A total of 54 million Muslims now live in Europe.

"One-third of British Muslim students are in favor of a worldwide caliphate [Muslim dominated empire].

"Mohammed is the most popular name among boys in many cities. You need to know the importance of Mohammed the prophet. His behavior is an example to all Muslims and cannot be criticised. Now if Mohammed had been a man of peace there would be no problem. But Mohammed was a warlord, a mass murderer, a pedophile, and had several marriages at the same time."

In the Quran (Koran) terrorism is commanded:

“Prepare for them whatever force and cavalry ye are able of gathering to strike terror into the hearts of the enemies of Allah and your enemies.” (Quran, Surah 8, Verse 60)

Geert Wilder expressed this fear:

"If Israel were to go down... the end of Israel would give enormous encouragement to the forces of Islam."
It would mean the start of the final battle for world dominion.

"The lights may go out in Europe faster than you can imagine.

"An Islamic Europe means a Europe without freedom and democracy, an economic wasteland, an intellectual nightmare, ...and a loss of military might for America.... as its allies would turn into enemies, enemies with atomic bombs."

JOEL’S PROPHECY CONTINUES

"For a nation has invaded My land... its teeth are the teeth of a lion, and it has the fangs of a lioness." (Joel 1:6)

"And their teeth were as the teeth of lions."
(Revelation 9:8)

The "teeth of lions" represents their fierceness in battle. Militant Muslims are extremely destructive, which is typical of the lion.

Naturalists also inform us that the home of the lion is Arabia, and in Arabic literature the lion is the constant emblem of the Arab warriors.

WHY DOES GOD ALLOW IT?

QUESTION: Why does God allow this to happen?…
**ANSWER:** Because WE NEED CORRECTION. We have turned our backs on God …to do things our own way.

Just as a loving parent disciplines a disobedient child for his good, so suffering can help us wake up, turn from our wrongs, and to start experiencing his love and plan for our lives. Have you thought about this?

Is it reasonable that God could permit us to suffer for the purpose of a greater good?

A mother willingly sends a young child to start school, even though she is fully aware that the child will endure some suffering. Why does she do this? Because she knows that the benefits of education will out-weigh the short term suffering her child will have to endure. Right? Although our distress may be intense, it is outweighed by its future benefits.

Are you with me?

**JOEL’S PROPHECY CONTINUES**

"Sanctify ye a fast, call a solemn assembly, gather the elders and all the inhabitants of the land …and cry unto the Lord."  (Joel 1:14)

This is a call to take stock of our lives - turn around, and listen to our Maker.

"Alas for the day! for the day of the Lord is at hand, and as a destruction from the Almighty shall it come."  
(Joel 1:15)
PURSUED BY THE LOVE OF GOD

"Sound an alarm... let all the inhabitants of the land tremble: for the day of the Lord comes, for it is near at hand." (Joel 2:1)

"Turn back to God." (Psalm 116)

"If you turn back, I will take you back." (Jeremiah 15:19)

JOEL’S PROPHECY CONTINUES

"A fire devoureth before them; and behind them a flame burneth: ...the land is as the garden of Eden before them, and behind them a desolate wilderness; yea, and nothing shall escape them."
(Joel 2:3)

Their “name in the Hebrew tongue is Abaddon, but in the Greek tongue ...Apollyon” [both of these mean “DESTROYER”]. (Revelation 9:11)
The Arabs are symbolised in Bible prophecy as an angry horse, war horse or *battle horse.*

"The appearance of them [the locusts] is as the appearance of horses; and as horsemen, so shall they run... in battle array." (Joel 2:4)

"And the shapes of the locusts were like unto horses prepared unto battle". (Revelation 9:7)

"Many horses running to battle." (Revelation 9:9)

"Like the noise of chariots on the tops of mountains shall they leap, like the noise of a flame of fire that devoureth the stubble, as a strong people set in battle array." (Joel 2:5)

Angry and war-like.
Are we starting to get the picture now?

One day a beheader of women,
The next day safely in Europe.
The first picture above is of supposedly two men (a) an ISIS fighter in Syria, in July 2014; (b) a "refugee" on the Greek border in August 2015. They are the same person. He was found because of Facial Recognition Technology.

But don’t worry, he’s a changed man, right?

Muslim terrorists forced a woman to watch her 9-year-old daughter getting raped to death.

"THEY SHALL CLIMB THE WALL"

"They shall run like mighty men; they shall climb the wall like men of war; and they shall march every one on his ways, and they shall not break their ranks." (Joel 2:7)
"They shall climb the wall… they shall run upon the wall." (Joel 2:7,9)

They are climbing over the border wall from Mexico into the United States of America also.
"THEY SHALL RUN ...IN THE CITY"

"They shall run to and fro in the city." (Joel 2:9)

"THEY SHALL... ENTER THE HOUSES"

"They shall run upon the wall, they shall climb up upon the houses; they shall enter in at the windows like a thief." (Joel 2:9)

One lady reported, "You come back from work… and they are in your house.

Ten Muslim men broke into the home of a couple in Branden-burg, Germany, and forced their way into the couple’s bedroom. They kicked the 23-year old woman in the stomach, and beat their unborn child to death to enforce sharia (Muslim law).
Her husband, who was seriously injured by numerous blows, was sent to the hospital for inpatient treatment. (www.jihadwatch.org) Others broke into the property of a 72-year-old woman and raped her.

After a terrorist attack in England, a Muslim religious leader was asked, “What do you say about the innocent victims?” His response was, “They were not Muslim, they didn’t follow Allah, so they were not innocent.”

Muslim spokesmen say they will make it legal to rape white women when they take over Europe.

**JOEL’S PROPHECY CONTINUES:**

"The day… is great and very terrible." (Joel 2:11)

**THEY COME...**

**THEY EAT...**

**THEY TAKE**

They are getting food, accommodation and welfare money free – which the locals have to pay for. *Like the locusts*, they don’t have to plant. *They come. They eat. They take*. They will devour you like a swarm of locusts. (Nahum 3:15)

It is reported that Sweden is on the edge of total collapse, due to swarms of immigrants coming in, …and bleeding the economy dry. The welfare system can’t cope with it.
OUR HEAVENLY FATHER’S PLEADING

How deep is the Father's love for us!:

“Therefore now, turn you to me with all your heart, and with fasting, and with weeping, and with mourning: And tear your heart, …and turn to the Lord your God: for he is gracious and merciful, slow to anger, and of great kindness, and turneth him from the evil.” (Joel 2:13)

"Gather the people, sanctify the congregation, assemble the elders, … gather the children, and …the bridegroom… and the bride. (Joel 2:16)

“Let the priests, the ministers of the Lord, weep between the porch and the altar, and let them say, Spare your people, O Lord, and let not the heathen rule over them… and say among the people, Where is their God?” (Joel 2:17)
WHAT GOD WILL DO FOR
HIS PEOPLE IF THEY
TURN BACK TO HIM

The prophecy states:

“Then will the Lord be jealous for his land, and
pity his people. Yea, the Lord will answer and
say unto his people, Behold, I will send you corn,
and wine, and oil, and ye shall be satisfied there-
with.” (Joel 2:19)

BUT HE WILL RESPECT
YOUR CHOICE

On November 13, 2015, the crowd at a Paris concert was
singing “Kiss the Devil” the moment a terror attack began.
That was their last song as they bled and died on the dance floor of the Death Metal concert.

Moments away from slaughter, with their hands raised high in the air, they made the Satanic “devil horns” salute, seemingly without a care in the world.

Here are some of the lyrics from that tune "Kiss the Devil", by Eagles of Death Metal:

"WHO’LL LOVE THE DEVIL?
WHO’LL SONG HIS SONG?
WHO WILL LOVE THE DEVIL AND HIS SONG?
I’LL LOVE THE DEVIL
I’LL SING HIS SONG
I WILL LOVE THE DEVIL AND HIS SONG
WHO’LL LOVE THE DEVIL?
WHO’LL KISS HIS TONGUE?
WHO WILL KISS THE DEVIL ON HIS TONGUE?
I’LL LOVE THE DEVIL
I’LL KISS HIS TONGUE
I WILL KISS THE DEVIL ON HIS TONGUE."

As the death metal fans were singing, offering their love to Satan, the Devil responded. With death and destruction.

That Friday night at 9:40 pm in Paris, France, people asked for a manifestation of the Satan …and guess what? They got one. I wonder how many of them were offered the life-saving news of Jesus Christ and turned their nose up at it? Probably more than a few of them.

That Friday night they “kissed the Devil” and the Devil kissed them right back.

That terrorist attack in Paris, France, killing 129 and wounding hundreds more, is a prelude to what will soon be coming to countless cities and towns of Europe, America, and the Western world.

WORLD WAR III
HAS BEGUN

As the West finally awakens to all-out Islamic invasion, world leaders– from Jordan's King Abdullah, to former Soviet leader Mikhail Gorbachev, to former Ukrainian ambassador Yuri Shcherbak – are all warning that we are literally staring World War III in the face.

In the U.S., clear-headed pundits have now echoed the warnings: "World War III has begun," opined top-rated radio talker Mark Levin. "I sincerely believe it. ... It hasn't begun like any other war, but it's begun. ... and I believe we're going to be attacked." Noted politician Newt Gingrich added, "The real war is worldwide and the real enemy is Islamic supremacy in all its forms. Broadcaster Glenn Beck agreed we're looking at World
War III, but warned that that "Nobody will recognize it yet. ... Just like we were at the beginning of World War II when they invaded Poland. We are entering those times – we just don’t know it yet."

• In his report *Terror attacks in the U.S. are being covered up by the feds*, Leo Hohmann, documents that dozens of terror attacks have been committed or attempted by Muslim immigrants in the last two years.

• In his report *Obama is importing the Holocaust*, Don Feder reveals that "60 percent of American Muslims under 30 said they were more loyal to Islam than America."
Three powerful leaders are saying, "Let it happen - let them in."

* Vatican directed German Chancellor Angela Merkel has kept insisting, "Bring them in."
* Jesuit directed United States President Barack Obama has invited over 200,000 of these people to come to America over the next two years, and untold thousands, or millions more, are already in.
* And Pope Francis is saying, "Open your borders."

Do you see the pattern here? Is there an agenda?

The headline in the October 30, 2015 issue of PakAlert Press said: "The Muslim invasion of Europe is picking up where Hitler left off."

"Neither repented they of their murders, nor of their sorceries, ...nor of their thefts." (Revelation 9:21)

1st JIHAD 2nd JIHAD

God used Islam to torment the corrupted religious system, so it could wake up and turn back to Him.

**BOTH TIMES IT REJECTED GOD’S LOVING PLEA**

Now, in the Third Woe, God calls the Islamic forces “my great army that I sent among you.” (Joel 2:25)
In this Third Jihad, the same corrupt system – and those who associate themselves with it – will be tormented.

So an appeal is made to those who knew God and have turned from Him.

And now, just as in the past, the opportunity to repent is given in the THIRD Woe. Repent means to change direction in thought and behavior.

“Therefore now, turn you to me with all your heart, and with fasting, and with weeping, and with mourning: ...and turn to the Lord your God: for he is gracious and merciful, slow to anger, and of great kindness, and turneth him from the evil.” (Joel 2:13)

God never leaves a stone unturned. There will never be an excuse for anybody.

Bible prophecy foretells, regarding the Third Woe (the Third Jihad), that the majority will not repent.

THE FIRST WOE - occurred mostly in the Middle East
THE SECOND WOE - stabbed into the heart of Europe
THE THIRD WOE - will envelop the whole world

JERUSALEM
AND THE
COMING CALIPHATE

Sheik Kamal Khatib, deputy leader of the Islamic Movement in Israel has announced publicly on television:

“Jerusalem will… be… the capital of the coming righteous Islamic caliphate” to which “the entire Earth” will “become subordinate.”

(http://pamelageller.com/2014/10/israeli-muslim-leader-kamal-khatib-jerusalem-will-be-caliphatecapital.html/#sthash.3txE5LUo.dpuf)

A noted Egyptian cleric, Safwat Higazi told supporters in Cairo:

"The capital of the Caliphate... the capital of the United States of the Arabs... our capital shall not be Cairo, Mecca, or Medina. It shall be Jerusalem."

During the inauguration of the 55th airport in Hakkari Province (named after Saladin who conquered Jerusalem), the Prime Minister of Turkey, Ahmet Davutoglu and Turkish President Recep Tayyip Erdogan called for the reestablishment of the Ottoman Empire... and the invasion of Jerusalem.

The Muslim Brotherhood, the oldest terrorist organization in the world, recognises Turkey as the strategic place to re-establish their Caliphate.

According to their plans, as soon as the Caliphate is formed and a new Caliph is seated in Istanbul (ancient Constantinople),
he will declare global jihad beginning with the annihilation of Israel and moving his seat to Jerusalem, then continuing with their jihad throughout the world.

THE FIRST STEP

The current invasion of Europe and America is the first step. The Muslims are already getting into position for the global jihad.

We never guessed it would happen in this manner, with a supposed migration. This invasion – of mostly young men – has taken the world by surprise.

WHAT THE PROPHECY FORESAW

But when you look at the prophecies again, that is exactly what God is telling us. The locust army of Joel swarming in is a sign which foreshadows “the great day of the Lord” is almost upon us.

This huge swarm to be housed and fed, threatens to collapse the financial stability of the West. Once the Western powers are weakened by this “trojan horse”, they will not be able to stop the Muslims moving upon Jerusalem.

HOW WILL IT END?

"And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain." That is, "He [the Islamic caliphate] shall plant his seat of government in Jerusalem." (Daniel 11:45)
"But he shall come to his end, and none shall help him." (Daniel 11:45)

Now notice the wonders of information that spring out at you when you allow the Bible to explain itself.

* The "northern army" of Joel 2:20
  = the "king of the north" of Daniel 11:40-45.

* This army, between "the east sea" and "the utmost sea" in Joel 2:20
  is the same as "between the seas" of Daniel 11:45
  (the seas being the Dead Sea and the Mediterranean Sea).

* "His stink shall come up" of Joel 2:20
  = "he shall come to his end" of Daniel 11:45.

* And to clinch it all, this "northern army" of Joel
  is also called by God "the locust... my great army that I
  sent among you." (Joel 2:25)

There can be no doubt at all that this Muslim locust army is the same power whose role is described by both Joel and Daniel. And since Daniel 11:40-45 is specifically stated to occur "at the time of the end", then Joel's prophecy is definitely "end time".

Joel's prophecy continues with a message for those who realise their need of God and turn back to Him.

After asking His people to turn back to Him, He promises to pour out His Spirit.

"And it shall come to pass afterward, that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions: And also upon the servants and upon the handmaids in those days will I pour out my spirit."

(Joel 2:28-29)

Satan hates the fact that Jesus Christ is returning. He wants to so destroy the human race that there will be nothing left worth saving.

One thing he forgets is that you can destroy the body but you can’t snatch eternal life from those who live for Jesus.

In His amazing and wonderful love, Jesus is doing something about this.

Have you heard this amazing news? From all over the Muslim world come reports of Islamics receiving dreams and visions of Jesus.

This is happening in every Islamic nation on earth.

Here is just one of countless reports coming out of Muslim dominated countries:

A Muslim man in a Muslim village had a dream about the Second Coming of Jesus Christ. It was only Jesus there on the last day, not Allah.
The man was quite shaken. Three days later he gathered to
courage to share his dream with a Muslim friend from the same
village.

Then his friend turned as white as a ghost. He had had the same
dream!

The two men then cautiously proceeded to share their dream
with others in the same village… and to everyone’s surprise,
it was discovered that every person throughout the entire village
had received the same dream!

They all became believers in Jesus.

"THE LATTER RAIN"

"Be glad then, …and rejoice in the Lord your God:
for he hath given you the former rain moderately,
and he will cause to come down for you the latter
rain." (Joel 2:23)

What is this talking about?

To understand this, we should know that God created us perfect.

In the beginning we were given a paradise world. God created
us to enjoy happiness, peace, long life, contentment,
accomplishment and all that our hearts long for. (He also created
us to live forever!)

His laws were given as a guide for happy, abundant living.
Ignore them, we suffer. And our actions can make others suffer.

At first, there was a bond of friendship between the Creator and
his creatures. It was a thing of beauty.
Then man decided to “go it alone”. We cut off our connection to the Life-Giver, our Creator. That’s WHY we die. Violating the spiritual laws is WHY we suffer.

Our Maker is good and man is rebellious. A great gulf separates the two.

We’ve lost the abundant life he first gave us.

We try to regain it through meditation, good deeds, or religion – but none of these can undo the sin we’ve done.

The blame lies with our daily choices. To remove suffering NOW, God would have to remove our ability to make choices.

But, despite that wise “hands off” approach in not forcing us, he has given us the freedom to ask his help at any time (through prayer). He offers power to enjoy TOTAL HAPPINESS and oneness with him now. And millions can testify from personal experience that he does honour that promise.

But have you heard? Our loving Creator has provided a way to rescue each of us, and at the same time preserve the authority of the universal law we have broken.

He has taken upon himself to pay the penalty for our wrongs – and to credit that payment to us!

In Indonesia, a woman was brought before the court for repeated theft. As the evidence against her was presented, the judge, in upholding the law, pronounced a heavy penalty. The woman tearfully told how she had lost her husband, and how the hunger of her little children had led her to steal food - and that she had no way to pay the penalty.

Overwhelmed with pity for the woman, the judge stood up, took off his judge's gown, stepped down to the woman, put his hand
into his pocket, pulled out his wallet, and counted out the amount of the fine.

Giving that to the woman, he then returned to his judge's position and said to the woman, "Bring to me now the penalty that the law demands and you can go free."

Thus the validity of the law was upheld, but the law-breaker was made right with the government. Justice was achieved, as well as mercy.

That is what Jesus has done for each of us.

Since God is perfectly and unimpeachably holy, and since sin is rebellion against the Highest Being, only the greatest and highest price can be accepted as an atonement (making amends) for sin. Disobedience to the highest law demanded the greatest penalty in payment. But loving us so much, he chose to pay this for us.

**To stand in our place**

To do this, it was necessary that he should first
* take upon himself feeble human flesh
* go over the same ground as we do
* face all the same testings we have to endure
* suffer the same disadvantages and pains,

but SUCCEED in each point where we fail.

Then he could stand in our place, taking upon himself our guilt and suffer its penalty.

He offered to credit his success to each of us, counting his perfection to cover our imperfect state, so you and I could be declared clean again.
He took our place.

* We sinned… He died.
* We were guilty… He was punished.
* We deserved death… He gave his life.
* We rejected him… He accepted us.

Through his sacrifice, we are granted forgiveness and given a brand-new start. His death in our place has bridged the gulf that separates us from God… As both God and man he joins the two – God’s throne of mercy, and guilty man. There’s no other way to immortality.

Yes, it’s a mystery that he loved you and me enough to do it.

He rose - to guarantee you eternal life

Yet, if he remained dead, his sacrifice would still be in vain.

But, as the Creator of life he did some-thing that human science is inadequate to explain: He arose again, proving that even death could not conquer him.

Science can’t explain it, but it did occur. You owe it to yourself to examine this evidence. (To acquaint yourself with the facts, please study The Forbidden Secret, chs. 34 to 40. www.beforeus.com/secret.html)

Jesus’ power over death seals his claim to be the Son of God, the ONLY WAY you can receive immortality. Don’t dismiss it.

We die. We cannot help ourselves.

God loved us. He stood in our place, and took upon Himself our guilt to suffer its penalty – and He offers to credit that payment to us, potentially securing pardon for each of us.
He laid down His life and voluntarily shed His precious blood that we might live. Through his sacrifice, we can receive *forgiveness* and a brand-new start.

This is not merely a judicial act by which we can be set free of condemnation. It is not only forgiveness for sin, but reclaiming from sin. It is the outflow of saving love that transforms a person.

*The former rain:*

Jesus likens the process of character change to a *new seed* planted in the garden, which *needs to be watered* by the falling rain.

When one acknowledges his need and turns his life over to the Rescuer, God’s Spirit is poured out upon him. He *receives power to live a new life* and become a changed person.

*The latter rain:*

In the end times, those whose lives have accepted the former rain and have continued to grow in their relationship with God, will receive the latter rain. This will empower them to speak the truth boldly, and to stand victoriously through the coming time of crisis.

**WHAT YOU SOW YOU WILL REAP**

Continuing the prophecy of Joel, looking ahead to the end times, the prophet then uses expressions familiar to him (such as Tyre and Zidon), to denote former friends of the truth, who later turned away from the truth. (Joel 3:4) And they ultimately hand
over true believers to their enemies. (Joel 3:6) God warns such unfaithful ones, “swiftly and speedily will I return your recompence upon your own head.” (Joel 3:4)

As a corrupt religious system gets laws passed which will violate the consciences of those who wish to remain true to God, and these true believers are threatened with persecution, God will, in His wisdom, allow Muslim forces to pose a threat. They will again become the instruments by which a false religious system becomes the scourge of a corrupted church system.

This will take the heat off God's faithful ones, so that they can proclaim the last warning message to the world with power. Thus God calls the Islamic forces “my great army that I sent among you” (Joel 2:25) and also "the northern army." (Joel 2:20)

To destroy the Vatican's enemies, the Vatican created Islam. But Islam has been a thorn in Rome's side, time after time. And the corrupt ecumenical Protestant movement that is now getting into bed will Rome will suffer from Islam in the same way.

**JOEL’S PROPHECY CONTINUES**

"And I will show wonders in the heavens and in the earth, blood, and fire, and pillars of smoke. The sun shall be turned into darkness, and the moon into blood, before the great and terrible day of the Lord come. (Joel 2:30,31)

**A REMNANT WILL BE SAVED**

Jesus, referring to this time says:
"For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be." (Matthew 24:21)

The prophet Daniel speaks of the same time in this manner:

"There shall be a time of trouble, such as never was since there was a nation even to that same time." (Daniel 12:1)

Joel speaks of it thus:

"A day of darkness and of gloominess… there hath not been ever the like, neither shall be any more after it." (Joel 2:2)

Jesus adds:

"Except those days be shortened, no flesh would be saved. But for the elect’s sake those days shall be shortened." (Matthew 24:21)

Joel's prophecy agrees:

"Whosoever shall call on the name of the Lord shall be delivered… and… the remnant whom the Lord shall call." (Joel 2:32)

Don't forget! God keeps His promises. He is fully capable of accomplishing His promises, as impossible as they may seem.

**DELIVERANCE FROM THE LOCUSTS**

"So I will restore to you the years that the locust has eaten, ...my great army which I sent among
you. You shall eat in plenty and be satisfied, and praise the name of the Lord your God, who has dealt wondrously with you; and my people SHALL NEVER be put to shame." (Joel 2:25-26)

This prophecy suggests that we will lose everything in this world, but all will be restored, and much more, in God's kingdom. It also reinforces the fact that it will be the "locust," the "King of the North" (militant Islam) that will cause most of the death and destruction.

"No weapon formed against you shall prosper."
(Isaiah 54:17)

EARTH’S FINAL BATTLE

"I will also gather all nations, and will bring them down into the valley of Jehoshaphat, and will plead with them there for my people." (Joel 3:2)

"Proclaim ye this among the Gentiles; Prepare war, wake up the mighty men, let all the men of war draw near; let them come up: Beat your plowshares into swords and your pruninghooks into spears: let the weak say, I am strong. Assemble yourselves, and come, all ye heathen, and gather yourselves together round about: thither cause thy mighty ones to come down, O Lord. Let the heathen be wakened, and come up to the valley of Jehoshaphat: for there will I sit to judge all the heathen round about." (Joel 3:9-12)

This is world war. For a fuller explanation of this prophecy, you are invited to view our 4-part video presentation, The Vatican, Islam and Jerusalem. (This can be ordered at http://www.beforeus.com - simply click on the link at the top left hand corner of the web page)
JESUS RETURNS

"The Lord shall roar out of Zion... and the heavens and the earth shall shake ...but the Lord will be the hope of his people." (Joel 3:16)

The return of Jesus will be with a great noise that will shake the earth. The greatest earthquake in history will topple the cities, and move islands and mountains out of their places. (Revelation 6:12-17)

EARTH'S HARVEST IS REAPED

<td>Put ye in the sickle, for the harvest is ripe: come, get you down; for the press is full, the fats overflow; for their wickedness is great.</td>
<td>And I looked, and behold a white cloud, and upon the cloud one sat like unto the Son of man, having on his head a golden crown, and in his hand a sharp sickle. And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe.</td>

In the box above you will notice a comparison of the symbolism in Joel's prophecy with that in the prophecy of Revelation. It is obvious that these are referring to the same event.

Jesus explains the symbolism:
"The harvest is the end of the world; and the reapers are the angels." (Matthew 13:39)

DECISION TIME

"Multitudes, multitudes in the valley of decision: for the day of the Lord is near in the valley of decision." (Joel 3:13)

It is time to make our decision for the Lord.

When, in faith, you take hold of His strength, He will change, wonderfully change, the most hopeless, discouraging outlook. He will do this for the glory of His name.
